

# How to install Visual Studio

1. Start all installs by going to [cset.oit.edu](https://cset.oit.edu) and clicking the [Microsoft Dev Tools for Teaching](#) link

2. Sign in with your OIT email address

3. Click the software button under learning resources

Microsoft Azure Search resources, services, and docs (G+/)

## Welcome to the Azure Education Hub!

Whether you're a student getting started, an educator teaching advanced workloads, or just interest in building your cloud skills, we've got the development resources you need

**Redeem student credits**  
Start building the future with Azure for Students! Get \$100 in Azure credit when you activate your Azure for Students offer.  
[Learn more](#)

**Download free software**  
Gain access to full versions of professional developer tools for free to help you build code and deploy on your Azure subscription.

**Discover Microsoft Learn**  
Whether you're just starting or an experienced professional, explore a topic in-depth through guided paths or learn how to accomplish a specific task through individual modules.  
[Learn more](#)

4. Then select Visual Studio Community 2019 or Visual Studio Enterprise 2019

5. Click generate URL and copy that into a new tab (If you are using the Enterprise grade you will also need your product key which can be found above the Generate URL button by clicking View Key).
